

Covid-19 Statement

25 March 2020

Coronavirus continues to cause challenges across the UK and the globe creating unprecedented worry due to risks to health and economic uncertainty for millions.

We continue to follow all Government advice. As a supply chain business serving the online commerce sector, we are asked to remain fully operational.

We take the safety of our staff seriously and continue to follow all government advice and requirements regarding health and safety on site.

We appreciate that these are worrying and fearful times, for everyone - which is why we will strive to protect the team at Torque whilst enabling customers to continue to run their businesses.
